

January 10, 1980

LB 701

LR 181

to have a resolution in here, a little something, but I see my good freshman senator over there beat us to it. So, seeing he replaced Bill Brennan, I just want to put my name on it because I respected Bill for his ability here to get labor passed for the working man.

SPEAKER MARVEL: Senator Simon.

SENATOR SIMON: Mr. President, members of the body I too would also like to add my name to the list. I think that perhaps of all of the things that have been said about Bill Brennan I think the thing that I am going to miss the most, and I know that we all will too is his sense of humor. Certainly the times that we spend down here there are many days that are very trying and tempers at time get short. Senator Brennan probably more so than anyone else in the body with the possible exception of Senator Murphy had the ability to come up with that one liner that could change a situation from one of where people were at each others throat of thinking back and reflecting for a moment and then breaking out in laughter. We can all use more of that. He will be sorely missed.

SPEAKER MARVEL: May we stand for a moment of silence in memory of Bill Brennan. (Pause) Senator Powers your light is on, do you wish to be recognized?

SENATOR POWERS: Yes, Mr. Chairman I would like to request the Chairman appoint a committee of three to deliver this resolution to Senator Brennan's widow and I would hope that the resolution would be properly designed and properly framed. Thank you.

SPEAKER MARVEL: The Clerk is going to circulate a document. Those of you who want your names on the resolution, please indicate. Senator Beutler you have four, I'm sorry, okay. First the motion is...first the adoption of the resolution. All those in favor vote aye, those opposed vote no. We are voting on LR 181. Have you all voted? Have you all voted? The motion is the adoption of the Brennan resolution as introduced by Senator Powers. Have you all voted? The Clerk will record the vote.

CLERK: 42 ayes, no nays on the adoption of the resolution Mr. President.

SPEAKER MARVEL: The resolution is adopted. Any other business on the Clerk's desk?

CLERK: Mr. President, one new bill LB 701 offered by Senator Kremer. Read bill.

Senator Koch would like unanimous consent to be excused tomorrow Mr. President.
